### WHY SHOULD I BECOME A MEMBER?

There are many reasons to become a TimeSlips member. Here are just a few. TimeSlips training helps:

- Individuals learn to facilitate activities that are inclusive of all abilities
- Infuse creative techniques into your care practices and in doing so, increase daily joy and meaning
- Increase “creative confidence” and receive continued learning opportunities to support your development
- Increase well-being of elders
- Reduce social isolation
- De-stigmatize those living with cognitive differences

### WHAT DO I LEARN FROM THE TRAINING?

The TimeSlips evidence-based approach to communication ensures that your care practice invites meaningful expression from those with whom you engage, and builds a sense of belonging among participants. TimeSlips offers tools to help you run sessions one-on-one or in a group setting, and offers insight to how you can transition your services to from in-person to remote when needed.

### WHO SHOULD BECOME A MEMBER?

TimeSlips trains any individual who serves or supports older adults, including:

- **Friends & Family** - Our Friends & Family training provides tips on how to shift uncomfortable moments into positive opportunities for creative expression.
- **Professional Care Providers and Health Care Workers** - Learn how to infuse creative communication techniques into your care partnerships. Whether used in group storytelling exercises, or smaller, micro-moments of engagement, you will find that this work will add joy and meaning into the work that you do.
- **Artists** - Diversify your skillset and enrich the lives of elders in your community by tapping into your creativity in a new and meaningful way!

### WHAT LEVEL IS RIGHT FOR ME?

**Basic** - The resources available to you through the basic level of training will support one-on-one engagement and are meant for people who interact with people living with cognitive differences in a more personal, less professional way.

**All Access**- Our All Access level is for those who wish to go much deeper into our methodology through our full core training and coaching with a TimeSlips Master Trainer. Additionally, members will receive access to relevant content from experts in the field to support their continued growth. Please note that certification can be obtained through completion of all training and coaching steps included in this level.
